

Mobility Bag

The Bodypoint Mobility Bag keeps necessities and valuables close at hand, safely and discreetly. Designed by wheelchair users, for wheelchair users, it's big enough to hold the day's needs, but still fits snugly where it needs to be.

Inside: A clip for securely attaching important items, such as keys, and a hanging hook for the bathroom

Two large, reverse, zippered pockets with easy to grab, no-jingle loops

Find things easily with the bright orange interior

Mesh front pockets allow quick retrieval or drying

Durable black fabric that holds its shape and doesn't slip from your hands

Multiple Attachment Options

The detachable seat clip slides onto the front of the seat sling or side guard. It also fits into a seat pocket on a car, train, bus or plane. Alternately, remove the seat clip and use the hook-and-loop tabs to attach to an arm rest or directly to the seat sling surface.
